Red Run Condo Association

Letter from the Board of Directors

Summer is in full swing, and Red Run is ready to enjoy all the amenities the lake has to offer. The BOD opened the new Association year with their quarterly meeting over the 4th of July weekend with topics to discuss that will continue to improve the values and longevity of Red Run.

We are excited to have Anne Logan-Buzza handling the property management for us. She will be available to answer questions you may have regarding Red Run. Anne is also maintaining our website, which is the best way to keep up with what is happening at Red Run Condo Association.

As discussed at the annual meeting, we will be having the Reserve Study completed prior to the end of the summer. As also discussed at the meeting, we are soliciting bids and exploring options regarding siding vs painting.

Thanks to all those who helped with the DIY items around the property; everything is looking good. If you have any DIY items that you would like to complete, please contact Anne Logan-Buzza (redruncondofun@gmail.com).

We have no updates at this time to share about the Tran property.

It's time to enjoy Deep Creek Lake and have fun. Please keep your neighbors in mind and safety for all involved.

The 2023 BOD
